

# ARE YOU THE WINNER OF SKINNARILA?

SkinnARila is a project competition for the students! In this five day long race students will plan and execute an AR-application in the spirit of 50 years old Student Union.

Pokémon GO is so last season! Now is the moment of SkinnARila! Gather a group of 3-5 persons or register as an individual and a group will be found for you. All participants will have 3 credits to include in their studies, but the best execution will be rewarded!
